

ENERGY STAR CERTIFIED

## Data Center Storage

### HPE Primera - HPE Primera C670 4N : N9Z67A/N9Z71A

#### Specifications

|   |                                |
|---|--------------------------------|
| <b>ENERGY STAR Partner:</b>                                       | Hewlett Packard Enterprise     |
| <b>Brand Name:</b>  | HPE Primera                    |
| <b>Model Name:</b>  | HPE Primera C670 4N            |
| <b>Model Number:</b>  | N9Z67A/N9Z71A                  |
| <b>Storage Model Connectivity:</b>                                | Block I/O                      |
| <b>Product Type:</b>  | Online 4                       |
| <b>Storage Controller Configuration:</b>                          | Scale-Up Storage               |
| <b>Storage Controller Advanced Data Recovery Type:</b>            | RAID                           |
| <b>Capacity Optimized Method Available (COMs):</b>                | Thin Provisioning              |
| <b>Workload Optimization Type:</b>                                | Transaction                    |
| <b>Qualification Range Submission Type:</b>                       | Fixed Size Qualification Range |
| <b>Automated Storage Tiering Capable:</b>                         | Yes                            |
| <b>Automated Storage Tiering Enabled in Hardware on Shipment:</b> | Yes                            |
| <b>Input Power Rolling Average Capability:</b>                    | Yes                            |
| <b>Inlet Air Temperature Rolling Average Capability:</b>          | Yes                            |
| <b>Markets:</b>   | United States, Canada          |
| <b>ENERGY STAR Certified:</b>                                     | Yes                            |
